CHOOSE MY FUTURE Starts here!

Let MIS work for you!

Are you ready to become a dynamic and innovative leader in the field of Instructional Technology?

THE UNIVERSITY OF
SOUTHERN
MISSISSIPPI.

The online Instructional Technology Degree (MSIT) Program from Southern Miss is designed to provide professionals with the expertise needed to enhance teaching and learning through the use of technology.

The MSIT program is designed to be a flexible, 30-credit hour curriculum that can be completed as an online degree or on campus - whatever best fits your individual schedule and needs.

We also offer this degree in a hybrid format.
